Wow! Have you seen the news?!

SO proud that we're embarking for the first time on an all-Australian cohort that has undertaken Kallah teacher training and they chose to do it through The Eden Center!!!

JOFA Australia provided twenty scholarships to Australian women from Sydney and Melbourne who wanted to become qualified Kallah teachers.

It was an incredible opportunity to learn with each of these women via a 20-week world-renowned course offered on ZOOM.

Picture of the class featured below! See less — with JOFA Australia.
